Baliga College of Arts and Science, Kumta

Programme Report

An Orientation programme for the third semester B.A. and B.Sc. students on 'Artificial Intelligence' was organised in the College Assembly Hall on 31-12-2022 at 12.20 pm. The Computer Science Lecturer of our College Shri Fiaz Sheikh was the recourse person. He has demonstrated the use of Future Skill App of Microsoft to the students. He made the students install the App and taught the student about the use of the application. He also explained how to take the exam on Skill enhancement Course and get certificate. UUCMS in- charge of the College Dr. Prakash R Pandit and NSS officer Prof. Vinayak Bhat assisted the student in using the App. About 65 students got the benefit of the Programme.

Shri Fiaz Sheikh Introducing 'Artificial Intelligence' to students

Student participation in the Orientation Programme on 'Artificial Intelligence'
